PLUMMER GARDENS

FOREWORD

With nineteen years experience in growing Gladiolus and ten years experience in all the major shows in the midwest, we would like to introduce to you PLUMMER GARDENS Fourth Annual Price List. Many thanks to those of you who ordered bulbs from us last year. We send out only bulbs which have been treated for thrip and disease in storage and the kind which we ourselves would like to receive. We guarantee you will be satisfied with our bulbs.

TERMS OF SALE

All stock offered subject to prior sale. No orders accepted after April 30th and no order under \$2.00 will be handled unless small charge of 25c is paid for handling.

All bulbs are state inspected and are shipped under state license No. 626.

Large bulbs are $1\frac{1}{4}$ inches and up in diameter and produce the finest flowers.

Medium bulbs are from $\frac{3}{4}$ to $1\frac{1}{4}$ inches in diameter and will produce satisfactory blooms although not as large as those from larger bulbs.

On orders of \$3.00 to \$10.00 you may select 10% extra in bulbs and \$10.00 and up 15% extra.

Twelve bulbs will be sold for ten times the single price. This includes all varieties listed.

Do not split quantities as listed. Where a variety is listed at 2 for 25c or 4 for 25c do not order 1 or 2 at a lower price. There is no profit in any items of less than 20c and very little at that price. No single item accepted for less than 25c except where listed lower in price list.

1949 SHOWS

During 1949 show season we were able to attend W. Va. state show at Wheeling, W. Va. and Northwest Ohio show at Toledo, Ohio. We were sweep-stake winners at both of these shows. Our Gladiolus had 43 Blue Ribbons at these two shows. Some of the winning varieties were: La Grace, Yellow Bird, Scarlet Ribbon, Red Tanager, Rosette, Old South, Valeria, Spotlight, Sincerity, Helen of Troy, Robinson Crusoe, Artic Snow, Minnetonka, Raggedy Ann, Big Top, Xerxes, Indian Princess, Rose Gem, and Nadia. This is only partial list and you will find these and many more prize winning varieties listed in our catalog.
